"Register der Geboorten van de Gemeente Eede, 18xx"

Item 1 - Geboorten (Births) 1843-1862 Eede, Zeeland, Nederlands

Item 2 - Geboorten (Births) 1863-1882 Eede, Zeeland, Nederlands

Actual birth certificates for Eede, with forms. Some years had Alphabetical indexes in front of each year (name, date, date in numeric form). Other years only had Dutch birth certificate, with dates in script. Original error in interpretation of form -- beginning of form was date RECORDED not the birth date. The birth date was described in middle of form, also in script. Most errors were to Birth dates on second reading, but some may still be off by one day (later etc).

Item 1 - Geboorten 1843-1862
