Feb 1997

SOURCE XXX

Film has original filing papers along side actual naturalization declarations from Passaic County in order of naturalization declarations. Data on filing and actual naturalization is MINIMAL! Only has names, dates, person vouching, and country of origin. NO date of immigration, place of emigration or immigration etc etc.

Rules: resides 5 years in US, plus 1 year in New Jersey. If person was a minor, then must have resided at least 3 years prior to turning 21, plus 5 years total residency. Apparently, minors do not seem to have "first papers". Other states filing papers have much more data!

Naturalizations - Sep 1890 thru Oct 1891
