(E/C)arlon, Elizabeth, niece, 17, sgl, loom hand

(E/C)arlon, Philip, nephew, 16, sgl, machinist, locomotive

**** Could "Nettie" Burns be an Antoinette, and these children are her children, married to a Carlen/Carlton? If so, is Cyril son of the mother or daughter? Probably daughter, since he was born 2 years after the children were already living with Bummer, Monnie, and Catherine in 1910. (Already orphans? Cyril illegitimate of Antoinette or Elizabeth? Then adopted later and made a Burns?****

Roll 907, ED152, Pg 228, 10th Ward

(Little Sisters of Poor, Aged Home, Dey St)
